

REPUBLIC SERVICES / C&C LANDFILL SCHOLARSHIP

C&C Landfill offers three scholarships that provide for a financial contribution throughout each of the four years of undergraduate study. Scholarship contribution is adjusted annually for cost of living.

The requirements of the scholarship are:

1. Be a resident of Convis Township (parents must reside the full 4 years of schooling).
2. Have a cumulative grade point average of at least 2.5.
3. Submit an application to C&C Landfill by May 1st

Please complete the application and submit it with a cover letter that describes professional goals and how this educational opportunity would assist in achieving those goals. Please include a copy of your student transcript. It does not need to be an official stamped copy. The grades reflected on the transcript are to be current to the most recent marking period. Preference will be given to students who are intending to pursue a curriculum focusing on the environmental sciences, however, financial need and academic history will be evaluated as major criteria in the selection process.

All applications may be returned to:
